RESERVED for "Sue"

Dear Gail,

Golly!! I don't know where to start - By the way, how did we ever get started? I don't remember how, or when, or where, but never-theless ~~it~~ we did, cause we were sho' pouring out the heart this afternoon! It must have been when I started dating Ed!

I hope your "huge" problem is going to work out. If we don't get tongue-tied for our next discussion again, I feel I can somehow help you. I surely hope I can.

I think you're real sweet, in fact one of the very sweetest, (I can't imagine anyone pursuing with ya'), cute, and have personality +. That darned-old (but cute) K. ought to thank his lucky stars for you --- and I'm thoroughly convinced that you're entirely nice! What a combination you are, but even better --- what a com'bination you and Ken make!! Well, drat the luck! My space is running out! Anyway, this all adds up to say, I lakesya I luvs ya' and I'd do anything fer'ya!! Lets get together when school's out, ya' here!

The best to you. Love,

Sue (Leary)

During the school year 1951-52, the Leaksville Chapter of the National Honor Society for Secondary Schools sponsored two major events. On October 17, 1951, seventeen new members were selected for the Chapter from the Junior and Senior Classes. The annual Social Standards Day was held on March 13, 1952. The topic for this day was "Opportunities in a Changing World." The Honor Society also sponsored a tea for freshmen and sophomores who made honor roll grades. Officers for this year were Gene Spaugh, president; Jeanette Alderman, vice-president; Betsy Dunn, secretary; and Mrs. Dininny, faculty-advisor.

THE MONOGRAM CLUB

The Monogram Club again began functioning this year on September 13, 1951, by electing their officers. With Coach Raymond Rhodes as faculty advisor, Douglas Tucker assumed position as president; Raenord Walker, vice president; Joan Sturtevant, secretary; and Bill Hundley treasurer. Meeting every second and fourth Fridays, the club organized committees to sell concessions at home games. The proceeds go as payments on the monogramed sweaters which each sport participant earns.

ATHLETICS

IN APPRECATION TO

HONORABLE JOHN MOTLEY MOREHEAD

LEAKSVILLE HIGH SCHOOL
Leaksville, N. C.

October 2, 1951

Honorable John M. Morehead
30 E. 42nd Street
New York 17, N. Y.

Dear Mr. Morehead:

On behalf of the entire Student Body of Leaksville High School, I wish to take this opportunity to thank you for your most generous gift to construct the Morehead Stadium. I speak not only for the students of our high school but for every citizen of the Tri-Cities.

Football and other branches of athletics have never had such a high place in the hearts of the students of the Tri-Cities. This has been largely due to the lack of a suitable place to play and a lack of adequate equipment and facilities. However, with the building of our New Central High School and the Morehead Stadium, we look forward to better days for high school athletics in the Tri-Cities.

When this wonderful stadium is completed, it will serve as a monument through the years to your generosity, your vision and your public spiritedness.

By this generous gift you have proven to us your very great interest in the welfare of the youth of the Tri-Cities. We hope that we may prove our gratitude by doing well in school and out and by observing high rules of conduct during our games and wherever we are.

Thank you very much in behalf of all of us.

Sincerely yours,

Bobby Wilson, President

GIRLS' BASKETBALL

Kneeling, front: Nancy Roberts, Patsy McCollum.

Standing, left to right: Gail Janney, Pat Leffew, Nira Wickham, Joan Sturtevant, Dru Wilkes, Ruth Sturtevant, Patricia Jones, Norma Jones, Beulah Hawkins.

The Leaksville High School Devilettes under the supervision of Coach Anna Mae Clark have had an outstanding year. There have been many experienced players who have shown great ability and also many who show much promise.

It is hard to say who the outstanding forward for the year has been. Patsy McCollum, Nancy Roberts, and Joan Sturtevant have all done their share in scoring. Joan, up to date, has an average of 20 points a game. Nancy has an average of 17. Outstanding guards are Norma Jones, Patricia Jones, and Ruth Sturtevant. Patricia is a newcomer to the team and will be around a few more years to help. Co-captains Nancy Roberts and Patsy McCollum will both graduate this year and will be missed greatly next year. Two other forwards who show much promise are Julia Brooks and Patricia Newman. Other substitute forwards are Gail Janney and Pat Leffew. Substitute guards, none of whom will graduate, are Beulah Hawkins, Nira Wickham, and Dru Wilkes.

With such a good team and coach, the Devilettes will make a strong bid for the Rockingham County Championship with a team average of 51 points a game.

BOYS' BASKETBALL

Front Row: Leon Walker, Jimmy Matthews, Jack Aheron, Bobby Nelson, Carvel Nichols, Bobby Richardson, Mr. Rhodes.

Second Row: Tommy Harris, Raeford Walker, Conrad Davis, Tommy Colvin, Ken White, Bud Moseley, Raenord Walker.

The Leaksville High Red Devil basketball team is setting the pace in the fast Northwest AA Conference this year with a record of eight straight victories and one defeat. Hanes High, defending state champions and winners of 59 straight conference games, felt the sting of defeat at the hands of the Red Devils, who also have whipped Gray, Reidsville twice, Walkertown twice, and Mineral Springs twice. Coach Ray Rhodes, team has an over-all record at this writing of 13 victories and one lone defeat, dealt them by Martinsville before the Christmas holidays. This defeat was revenged, however.

The Red Devils are a well balanced club with plenty of height and excellent shooting ability. The team average is around 50 points per game and usually has four to five men in the double scoring column.

"Our fine record thus far is the result of hard work, determination to win and love of the game," says Coach Rhodes. "The able assistance of Coach Clyde Pressley has been a big factor in the development of our club."

"The big six" of the Red Devils, responsible for their terrific showing are Raeford and Raenard Walker, Bud Moseley, Jimmy Mathews, Ken White, and Tommy Colvin. Jack Aheron, Tommy Harris, Carvil Nichols, Leon Walker, Conrad Davis and Jess Nelson fill in capably as reserves on the well balanced Leaksville team.

Editor's Note—

Coach Ray Rhode's Red Devils brilliantly finished this season by copping the Northwest Conference Championship with an eleven to one (11-1) conference record. In the Regional, they swept through East Mecklenburg and Hanes High to represent this district in the state play-off where they were defeated by Washington High, 64-61. Season record 21-3.

ADVERTISEMENTS

A LESSON IN SOCIALISM

(A letter from Thomas J. Shelly, teacher of Economics and History, Yonkers High School, Linden and Poplar Streets, Yonkers 2, New York.)

As a teacher in the public schools, I find that the socialist-communist idea of taking "from each according to his ability," and giving "to each according to his need" is now generally accepted without question by most of our pupils. In an effort to explain the fallacy in this theory, I sometimes try this approach with my pupils:

When one of the brighter or harder-working pupils makes a grade of 95 on a test, I suggest that I take away 20 points and give them to a student who has made only 55 points on his test.

Thus each would contribute according to his ability and—since both would have a passing mark—each would receive according to his need.

After I have juggled the grades of all the other pupils in this fashion, the result is usually a "common ownership" grade of between 75 and 80 —the minimum needed for passing, or for survival. Then I speculate with the pupils as to the probable results if I actually used the socialistic theory for grading papers.

First, the highly productive pupils—and they are always a minority in school as well as in life—would soon lose all incentive for producing. Why strive to make a high grade if part of it is taken from you by "authority" and given to someone else?

Second, the less productive pupils—a majority in school as elsewhere—would, for a time, be relieved of the necessity to study or to produce. This socialist-communist system would continue until the high producers had sunk—or had been driven down—to the level of the low producers.

At that point, in order for anyone to survive, the "authority," would have no alternative but to begin a system of compulsory labor and punishments against even the low producers. They, of course, would then complain bitterly, but without understanding.

Finally I return the discussion to the ideas of freedom and enterprise—the market economy—where each person has freedom of choice, and is responsible for his own decisions and welfare.

Gratifyingly enough, most of my pupils then understand what I mean when I explain that socialism—even in a democracy—will eventually result in a living-death for all except the "authorities" and a few of their favorite lackeys.

Gail Darling, I have enjoyed being with you so much this year, it makes me wanna cry when I think of you leaving me, and good old Leaksville High, but I know you'll have lots of fun up Washington way and Gail you are really a nice sort of a gal to have around, and I want to wish you the best in life, and especially in selecting your man. You are a real good basketball player & I hope you will continue your fine character, personality and physical appearance that are yours. I had a wonderful time these few times we dated together, they were screams weren't they? Be good and I'll be seeing you around this summer.

Affectionately,
Bill Stewart

Reserved for "Shirley"

Dearest Gail,

I think you are the sweetest girl that I know, even if you do make me mad sometimes. Honey, I will miss you like the dickens next yar. We have just got to date together some this summer haven't we? Maybe Kenneth can get me a date with some of his goodlooking boyfriends. How about working on him. Reckon we will ever learn to drive? I doubt it very seriously. Gail, I hope you continue to date Ken from now on. I think he is so cute and so are you so therefore you two must go together. Maybe, sometimes when you aren't dating Kenneth you can date one of Bobby's cousins again. We had such fun that night didn't we. Well, Gail, I just can't express what I feel for you so do you mind if I sign off for now.

Love
Shirley

Reserved for "Connie"

Gail,

We sure had fun for the three of us this year hasn't it. I want you to know that I'm really glad that you starting running around with us, I don't know what I would have done without you to help me in the term paper, typing and most of all, clothes.

We sure will miss you next year, why didn't you fail a subject or two, so we could have all went to Jr. City High together.

Gail, just because school is out don't forget me, and I want you to come and see me often, we'll have our Drivers Licence by then and we can just take off anytime I can get to "red Buick" or the "Dodge."

I hope with all my heart, that you are real successful in whatever you choose to be, and all the luck in the world to you and Kenneth.

Love you always
Connie

Remember our shorthand & typing classes Ha Ha Did we have fun? I know it. I was so glad you made the team this year. Didn't we have fun and just remember our senior year, me mine Rockingham county Champions

Gail even though we won't be headed in the same direction after school I hope our friendship will continue to grow. I hope you and Kenneth are very happy together now. Be good Gail and always remember me.
